MetalGraph Brushed Aluminum

MetalGraph Brushed Copper Penny

MetalGraph Brushed Stainless Steel

Up close the MetalGraph signs look like sturdy 1/8" thick sheets of brushed metal with a deep tactile finish. But in fact, these signs are made from high-impact acrylic that are UV - and corrosion resistant! The signs are lightweight, do not show fingerprints and are easily washable. The intergrated hardcoat fully protects these brushed metal-looking signs, making them suitable for both indoor and outdoor use.

Standard Sizes:

6" x 9" x 1/8"

6" x 6" x 1/8"

6" x 3" x 1/8"
